[Click here to register](#)

**Registrations closes on  
1<sup>st</sup> May**

please book early as  
places are limited

**No VC Available**

This engaging program is primarily designed for all medical, nursing, allied health and support staff working in Older Adult Mental Health.

The images are inspired by Dr Suess's theme "Oh the places you will go" and reflects that the recovery journey is not linear, at times there will be uphill battles and the road may be long and winding.

### **Facilitating recovery –**

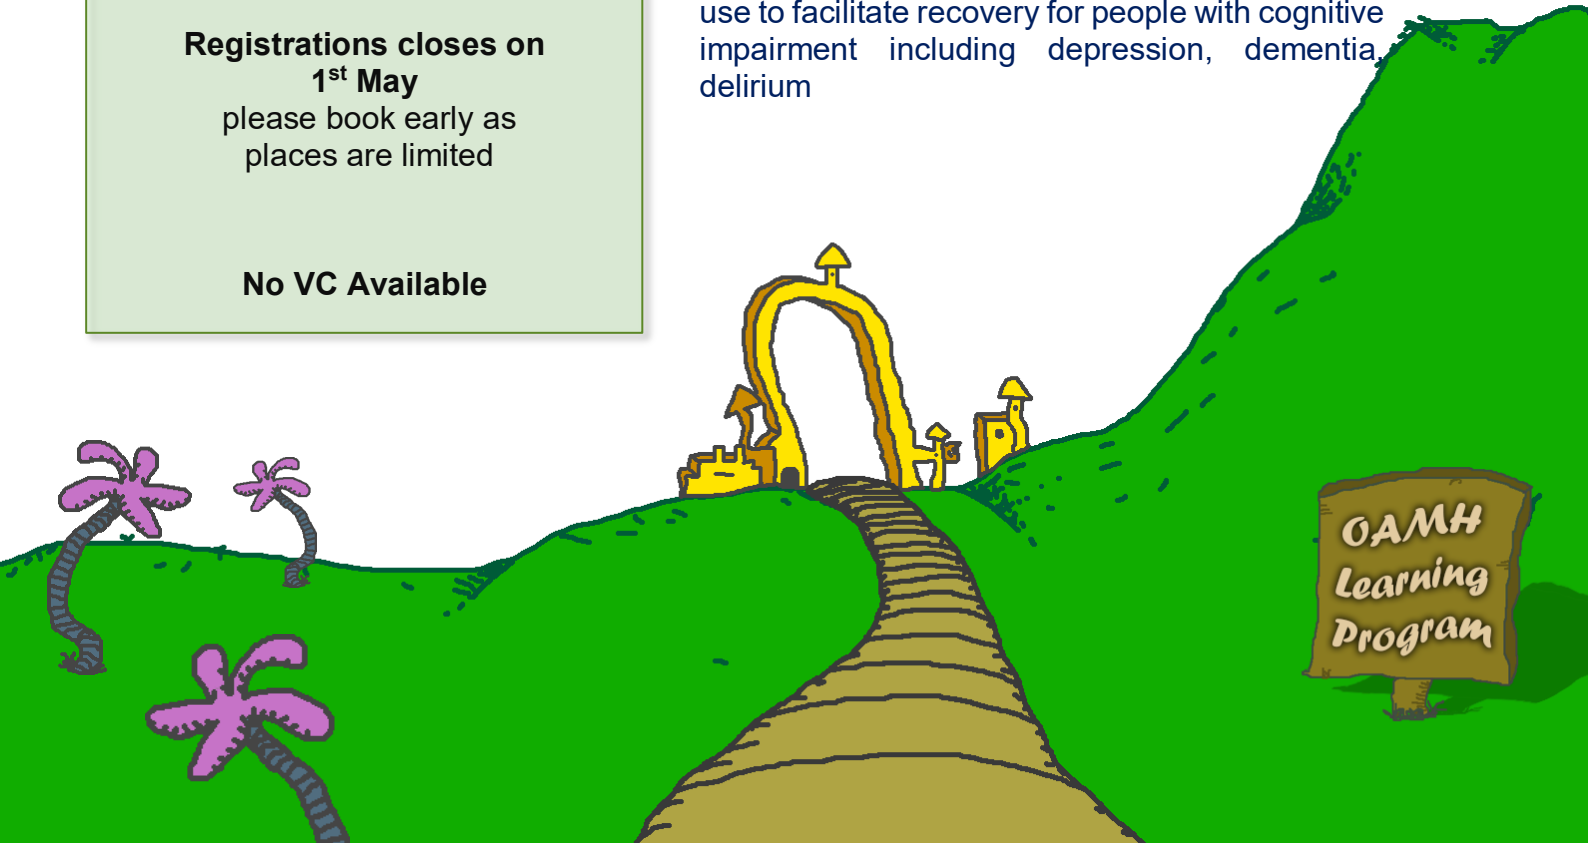

#### **Evidence based person-centred care**

Emphasises the importance of ensuring a compassionate, evidence based person centred, approach to facilitating recovery

### **Facilitating recovery –**

#### **Depression, Dementia, Delirium**

Improving rehabilitation and providing tools to use to facilitate recovery for people with cognitive impairment including depression, dementia, delirium

**OAMH  
Learning  
Program**
