This forum is intended for medical, allied health, nursing and any health professionals working with people with Parkinson's disease in WA

Presentations by:

- **Katriona Russell (Clinical Nurse, OPH)**
Assessment of motor dysfunction using the UPDRS
- **Tanya Pember (Snr Physiotherapist, OPH)**
An overview of movement strategies for various aspects of PD related motor dysfunction
- **Paula McGinley (Snr Occup Therapist, FHHS)**
An overview of the influence of cognition and perceptual skills on utilisation of movement strategies
- **Shirley Barclay (Parkinson's Nurse Specialist)**
Atypical PD (predominantly Progressive Supranuclear Palsy, PSP)

We look forward to seeing you at this event

Statement of purpose: The WA Community of Practice in Subacute Care will provide a supportive, interdisciplinary forum for the sharing and exchange of skills, knowledge and resources in subacute care, with the aim of improving practice and the delivery of quality, patient centred care. (Created 2012). TRACS WA may film/record this event for educational and promotional purposes. Unless you advise TRACS WA otherwise, we will assume you consent to your image and voice being used in this way.
